SLIMLINE - Vandal Resistant

Self-Luminous Exit Sign SLV

Tough Enough To Take it

Slimline SLV series lights consist of a durable Slimline aluminum sign encased in a rugged ABS protective enclosure.

Concealed mounting hardware makes for an exceptionally tough, vandal and tamper resistant sign that is ideal for low level installation - or any application where vandalism and/or direct impact may be a concern. SLV is recyclable at the end of its useful life.

Construction

- Tamper and vandal resistant
- Suitable for low level installations
- Operating temperature range -55°C to 80°C
- 100% reliable, maintenance-free, always on. Requires no external light source, wiring, or batteries
- Rugged ABS enclosure includes mounting pan with a one-time snap-over clear cover
- Features the quality Slimline low profile aluminum sign encased in protective enclosure
- Optional end or top mounting brackets available for single or double face sign mounting
- Corrosion-resistant internal extruded aluminum sign with .05" minimum wall thickness
- Aluminum stencil face with field-selectable chevron directional indicators
- One piece clear cover snaps over neutral gray mounting pan
- Polycarbonate shield seals lamp compartment and prismatic refractor lens
- SLV is recyclable at the end of it's useful life

Electrical

- Non-electrical, internally illuminated by sealed tritium gas

Illumination

- Green light output for maximum visibility in emergency conditions – 125 foot visibility rating
- Available in service life ratings of 10 or 20-years

Certification

- Suitable for use in hazardous atmospheres, and damp locations. Meets NEC Article 500, Class 1, 11 and 111 conditions
- Tested, approved and listed by Underwriters Laboratories to UL 924

Warranty

- Limited warranty for the rated life of the product
